

■ Support for macOS Catalina 10.15: 6 February, 2020

Thank you for purchasing Pioneer DJ products.

We have now completed the compatibility of macOS Catalina 10.15 with rekordbox and all of our hardware.

Models that are not listed below are no longer supported.

* Full functionality is not guaranteed with macOS Catalina 10.15.

* For more detail about macOS Catalina 10.15, please refer to the URL below.
