

DJM-A9 firmware - change history

ver. 1.04 (April 23, 2024 update)

[IMPROVED]

- ✓ Security has been enhanced.

ver. 1.02 (November 14, 2023 update)

[FIXED]

- ✓ Issue now fixed where the insert method would turn off occasionally when switching the input selector when using Multi I/O.
- ✓ Issue now fixed where DVS function on the phono input wouldn't work on USB-B when occasionally switching the input selector using a PC/Mac connected to each USB-A/B.
