

CDJ-1000MK3 Software Update Ver. 2.30

1. Applicable Models: CDJ-1000MK3

System versions later than Ver. 2.30 do not require this update. Use the following procedure to confirm the system version.

1. Turn Power ON
2. Hold the RELOOP/EXIT button depressed for 10 seconds
 - The system version will appear in the display
 - To return the CDJ-1000MK3 to normal operation, turn the power OFF and then ON again

2. Update Contents:

Ver. 2.30:

Improved mp3 playback

Ver. 2.20:

Improved Disc Readability

The readability of dirty and damaged discs has been improved.

Note: This update does not ensure playback of all dirty or damaged discs. For best results, be sure to keep your discs clean and damage-free.

Improved Sound Quality with Master Tempo

Sound quality has been improved during playback of discs when the Master Tempo feature is set to "On"

Improved Accuracy in the display of BPM

The display of BPM during disc playback has been made more accurate

3. Program Update Procedure

1. Confirm that unit power is OFF and no disc is loaded. In this condition, hold the REC MODE and RELOOP/EXIT buttons depressed simultaneously, and turn power ON.
2. When "NO-DISC" appears in the display, remove your fingers from the REC MODE and RELOOP/EXIT buttons
3. Insert the program update disc
 - a. The display will show the "DOWNLOAD-MAIN" scrolling menu.
 - b. Do not turn power OFF while the update process is continuing.
 - c. Update will be completed in about 1 minute.
 - d. When the update is finished, the "COMPLETE" message will appear and the program update disc will be ejected.
4. Remove the program update disc and turn power OFF. This completes the update procedure.

4. REMARKS:

- Follow the above procedure closely to perform the update.
- Never turn off or disconnect power, or remove a disc while the update is in progress.
- If you have any question regarding this procedure, consult the Pioneer service department.
- If "ROM ERROR" appears in the display, stop the operation, turn off the power and consult the Pioneer Service department.
