

TRAKTOR PRO 2 Setting File for DDJ-ERGO - CHANGE HISTORY

Ver.1.20 (7 March, 2013 Update)

- ✓ Update for TRAKTOR 2.6.0

Please update your TRAKTOR to the latest version when you use the Ver.1.20 Setting file.

Precautions before TRAKTOR PRO 2 Ver.2.6.0 update :

- TRAKTOR PRO 2 Ver.2.6.0 only supports Windows 7 operating system. Windows XP or Windows Vista is no longer supported. For details, visit Native Instruments WEB site.
- When DDJ-ERGO is used with TRAKTOR PRO 2 Ver.2.6.0, a new feature in the Ver.2.6.0 "RemixDeck" does not work in the same way as "SampleDeck".
