Pioneer DJ

■ Support for Windows 10 : 16 November, 2015

Thank you for purchasing Pioneer DJ products.
Microsoft has released Windows 10.
Pioneer DJ has been researching compatibility with Windows 10 since its release.
As soon as we verified compatibility with our products, we will release compatibility information on this support site.
Current software (Firmware and Driver software) may not work with Windows 10 properly at this moment.
＊ Verification in progress with Windows 10 and Windows 10 Pro.
＊ Full functionality is not guaranteed with Windows 10.
＊ For more detail about Windows 10, please refer to the url below.
