

## ■ Support for Windows 8.1 : 19 March, 2014

Thank you for purchasing Pioneer products.

Microsoft has released Windows 8.1.

Pioneer has been researching compatibility with Windows 8.1 since its release.

As soon as we verified compatibility with our products, we will release compatibility information on this support site.

Current software (Firmware and Driver software) may not work with Windows 8.1 properly at this moment.

\* Verification in progress with Windows 8.1 and Windows 8.1 Pro.

\* Full functionality is not guaranteed with Windows 8.1.

\* For more detail about Windows 8.1, please refer to the url below.
